Activity 1

Colouring Sheet Wrapping Paper

Materials Needed

Colouring Materials

Scissors

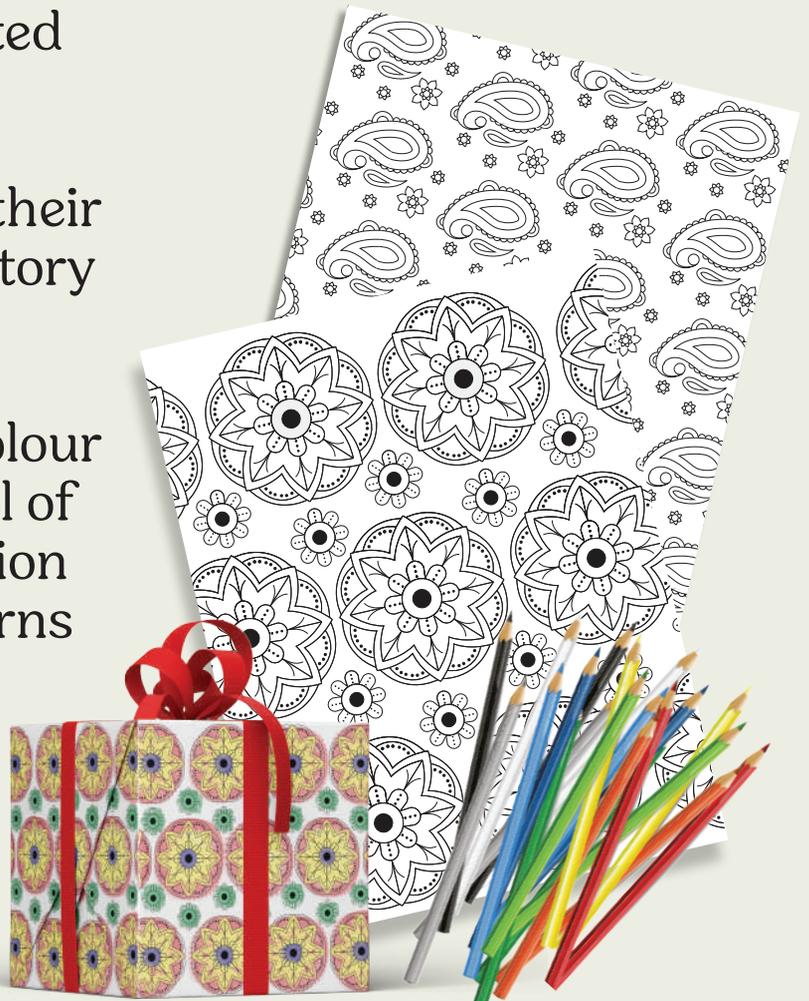

Tape

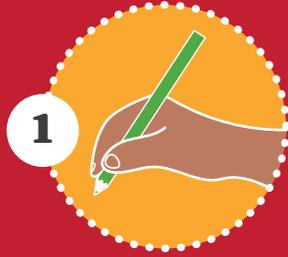

Tick the box once you have a material ready!

Motifs and patterns created by Indian craftsmen are a **symbol of their artistic expressions**, inspired by their environment, culture, history and architecture.

Use your inspiration to colour these designs as a symbol of your own artistic expression and mix and match patterns to wrap your gifts!

Activity 2

Henna Inspired Greeting Cards

Materials Needed

Drawing Materials

Scissors

Glue

Paper

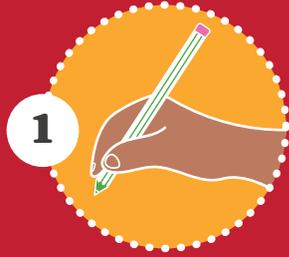

Tick the box once you have a material ready!

Henna designs are used to express **luck and happiness**, and are usually placed on the palms of the hand to allow the bearer to receive and offer well wishes and blessings.

Send your loved ones your well wishes this festive season, with these henna inspired Christmas card designs!

Henna Inspired Greeting Cards

Draw

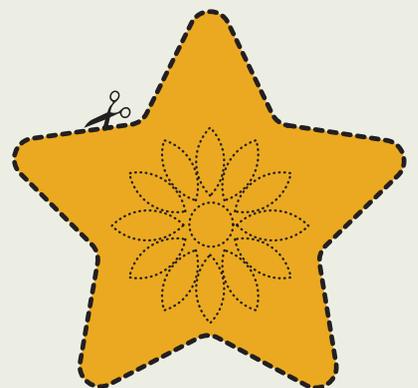

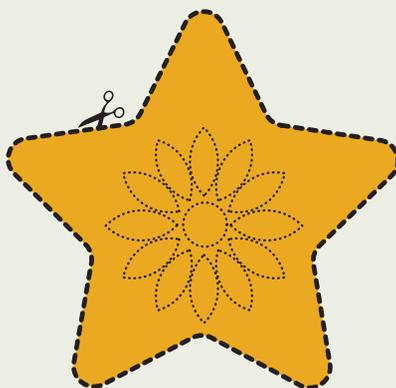

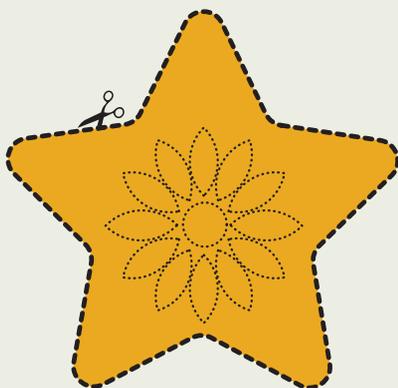

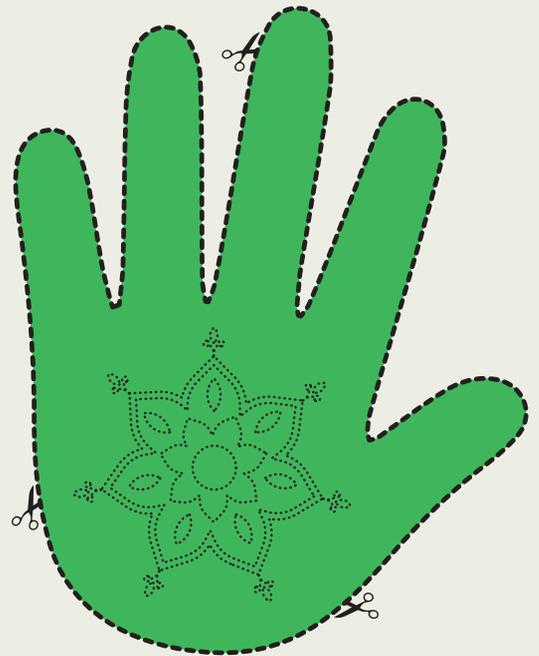

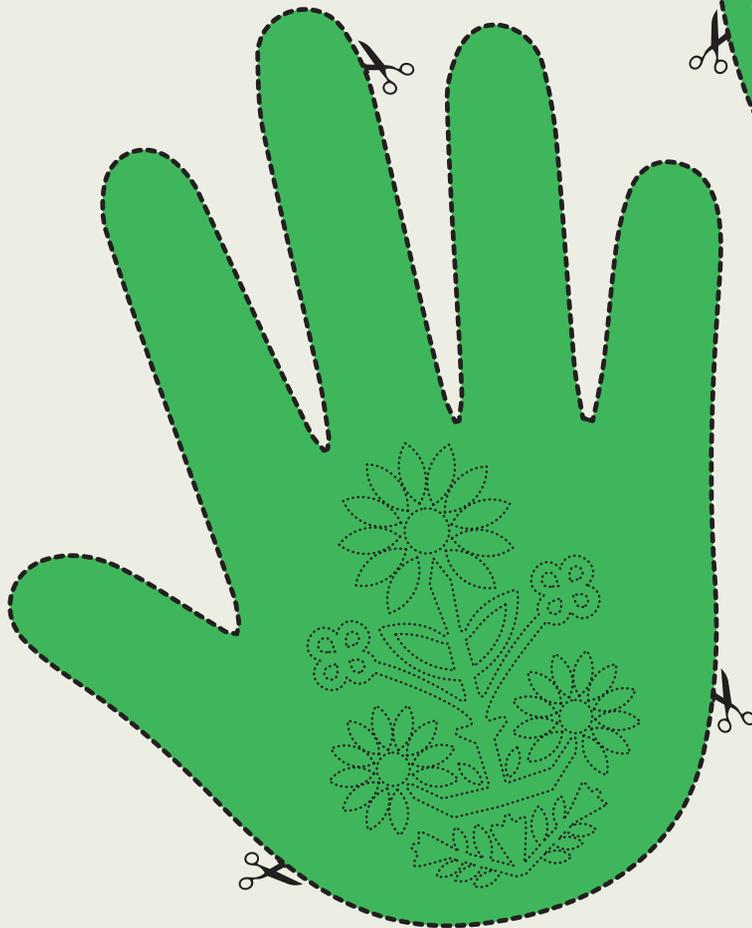

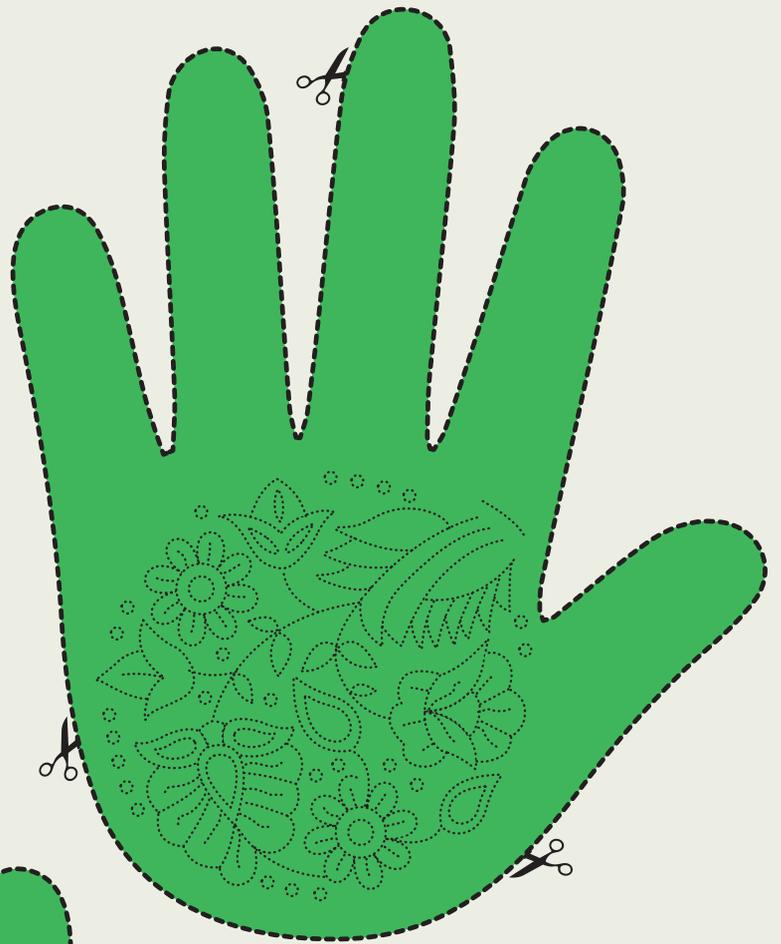

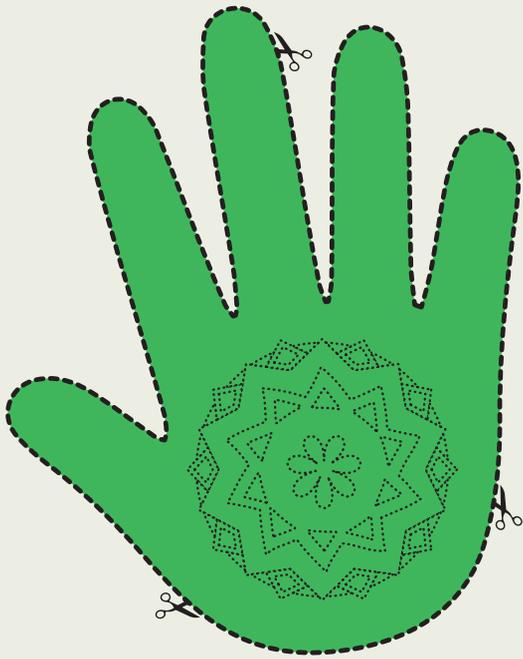

Cut

Paste

1. Draw and connect the dots.
3. Cut out according to the lines carefully.
4. Paste your artwork onto a piece of paper.
5. Write your messages and gift them!

Activity 3

Customised Christmas Ornaments

Materials Needed

Colouring Materials

Scissors

*Tick the box once you
have a material ready!*

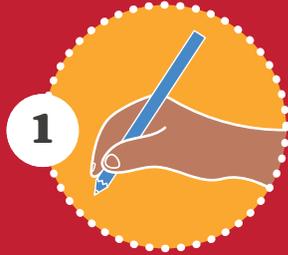

String

Floral and animal motifs are some of the most popular motifs used in Indian art and textiles. The lotus symbolises **prosperity, generosity** and **abundance**, while the elephant symbolises **strength** and **wisdom** and the elegant peacock symbolises **beauty** and **grace**.

This Christmas, decorate your homes with these beautiful custom ornaments and surround yourselves with an abundance of love and warmth from your loved ones!
